Marion Utility Service Board has submitted a new operating permit application for the Marion Utility Transfer Station to be located at 1300 North Washington Street, Marion. IDEM found the application complete and is opening the comment period for this solid waste processing facility application.

Background and Applicable Regulations

On October 15, 2015, IDEM received an application from the Marion Utility Service Board to permit the Marion Utility Transfer Station for 5 years. This application is a request to operate a solid waste processing facility. The proposed transfer station will be owned and operated by the Marion Utility Service Board.

Public Review and Comment

Interested persons are invited to submit written comments on the application. The application is available for review at the Marion Public Library located at 600 South Washington Street, Marion, Indiana 46953.

It can also be viewed online at IDEM's Virtual File Cabinet (VFC) website using the following steps:

1. Go to <http://vfc.idem.IN.gov/>, which is VFC's "Document Search" page
2. Once there, click on the **Additional Fields** dropdown menu.
3. Select **SW Program ID**.
4. Click the **Add** button, which opens the **SW Program ID** field.
5. Enter the facility permit number, **27-05**, in this field.

6. Click the **Submit** button, which produces one or more links to the documents for this facility.
7. Click on the **Page x out of y** dropdown menu to view additional pages with document links.
8. To find and review the permit decision, click the highlighted numbers in the **Document #** column for the most recent dates listed. If the permit decision is not yet available when you first search, try again later, it will soon be posted.

IDEM staff are available to discuss the contents of the application with any interested party, either by telephone at (317) 232-8734, or a visit to the office by appointment. You may also email the permit manager for this application at albrown@idem.IN.gov.
